# PLANT SOAP

## INGREDIENTS:

3% black soap, based on olive oil.  
100% natural ingredients.

## INSTRUCTIONS:

Shake before use. Spray directly on the underside and topside of leaves from a distance of 20cm. Test on one leaf before treating the entire plant. Avoid spraying on flowers or delicate plants.

## CAUTION:

Keep out of reach of children and animals. If the soap comes into contact with eyes, rinse thoroughly.

## STORAGE:

Frost free.

## CONTENTS:

200ml Ready to use.
